25X1 6. [] Checked with Victor Zafra, in the Office of Management and Budget, and subsequently with Mr. William McVetta, Legislative Liaison Office of Treasury, on the status of Treasury's comments on our legislative package. Mr. McVetta indicated that action on this rested with Mr. Gary Rasmussen in their Debt Analysis Section.

25X1 [] subsequently checked with Mr. Rasmussen who promised that Treasury would get their views to OMB tomorrow morning. It appears, however, that Treasury will recommend a change in our definition of unfunded liability in the funding provision of our draft bill. 25X1
